Dear Respondent

Examination of Sefton Local Plan

The Inspector indicated at the Pre Hearing Meeting (PHM) that the attached draft Programme for the Hearing sessions would include those representors who have previously indicated a wish to speak at the Hearings. Consequently, it is unlikely to be a complete list of participants. If your name is not included in the list of participants for a particular issue and you intend to participate, please contact me and I will add you to the list. Conversely, if your name is listed for a particular issue and you do not wish to participate, please ask me to remove your name for that issue.

The Inspector also said at the PHM that he would set a later deadline for the submission of statements for those issues which are subject to the late submission of reports from the Council.

- The Council has indicated that it intends to submit its document on the labour supply implications of the 2015 household projections on Monday 2 November, so the relevant issue (No 3a) has been set back to Week 2.
- The final document, the playing pitch study, is due later in the first week in November – this relates to two items in the first week of Hearings, questions 5.4 and 6.11, which have also been put back to Week 2.
- **Accordingly, the deadline for statements which relate to issue 3a and to questions 5.4 and 6.11 is 5pm on Thursday 19 November.**
- **The deadline for all other statements remains Friday 30 October.**

All sessions will be open to the public to attend. Please note that the hearing on Thursday 10th December will be held at the Royal Clifton Hotel in Southport. Further information on the examination is available on Sefton Council's website
